Dear South Carolina State University Army Reserve Officer Training Corps Alumni and Supporters,

Thank you to those that have already answered the call by making your tax deductible donation to the SCSU 75<sup>th</sup> Army ROTC Anniversary fundraiser. Your contributions are greatly appreciated.

As you know, the Military Alumni Chapter (SCSUMAC) has kicked off a major fundraising campaign.

The goal has been raised to **\$1.75M** and the deadline has been extended to 31 December 2023. To date a total of **\$18,286** has been donated.

In addition to the culminating Army ROTC Anniversary Banquet and Ball to be held on 31 March 2023, we are also planning an inaugural SCSUMAC Golf Tournament to be held on 30 March 2023 as well as the Army ROTC Hall of Fame Induction Ceremony the morning of 31 March 2023

We have some great news. The revitalized SCSUMAC website has been launched. You can visit it to get the latest information about the organization, including the 75<sup>th</sup> Anniversary, as well as contribute directly to the fundraiser or pay your dues.

Additionally, a discounted rate has been made available for those requiring hotel accommodations during the anniversary weekend. The Country Inn & Suites and the Comfort Inn & Suites of Orangeburg have both agreed to offer special guests rates for attendees. For additional lodging information please visit our website.

You can access the website by using the following link: <https://www.scsumilitaryalumni.com/>

Checks may also be made payable to the **SCSUMAC** and mailed to the following:

Please consider giving today and witness your contribution help to further the legacy of Army ROTC at SCSU.

Make your tax-deductible donation by March 17, 2023 in order to be recognized in the souvenir booklet to be published.
